LODGE BULLETIN JANUARY 2010

#### TO THE BRETHREN

It is an honor and a privilege to be elected to govern this Lodge as its  $151^{st}$  Master. It is a humbling experience to follow in the footsteps of the men who have gone before me, and I thank the brethren of our Lodge for the confidence which they have placed in me.

2010 promises to be a most interesting year for our Lodge. Throughout the year we will be engaged in a number of exciting and thought-provoking Masonic events, and I look forward to seeing you in Lodge for as many of them as your cable tow will allow. Please do visit our web site [www.aw22.org] for the latest information on these events. In addition, you will be receiving updates via our e-mail system to keep you informed on all Lodge activities during the year.

January sets the tone with a presentation on the Jewish mystical system of Kabbalah, and how it curiously relates to many aspects of Freemasonry, from the commonplace to the esoteric. As with all meetings this year, this presentation is open only to Masons. After the meeting, we will have a Festive Board, and if you have not yet experienced this special Masonic form of dining, I encourage you to join us for what is considered by some to be one of the highlights of any Masonic evening.

Our other meetings in January will be devoted to the degrees. We have some catching up to do in this regard, and we will be using our time this month to get back on track. One of these dates will be a conferral of different degrees, on separate candidates, on Saturday, January 16. I want to go on record as being strongly opposed to such degree marathons; the ideal method is that one which is intended by the Craft — one man per degree, one degree per meeting. But I have agreed to take this one Saturday to bring our current candidates further along their path to more light in Masonry.

You will notice that music and lighting will play a greater role in the Lodge, as part of an overall increased attention to atmosphere. The intention is to create an environment in the Lodge room that properly respects the nature of our labor. A Masonic temple is a place where we should strive to be our best in every sense; that includes the way we dress, comport ourselves, break bread and think. Let each of us continue to work in the quarries towards that goal.

Fraternally, Andrew Hammer Master
