## THE MASTER'S MESSAGE

My Dear Brethren-

The end of June has brought us sad tidings that will hang over our July Stated Communication. On June 20, Right Worshipful Claude Harris, PM laid down the working tools of life and was transformed to the Celestial Lodge above where he will dwell with our Divine Creator. Those of you who had the privilege of knowing RW Claude were no doubt struck by his sincerity, love for Masonry, and love for Alexandria Washington Lodge. Even though RW Claude lived abroad for many years, he never forgot his home Lodge. At our Stated, we will open the floor up for recollections about RW Claude before we observe a moment of silence and a prayer over our dear departed Brother.

In addition to the sad business of saying goodbye to RW Claude, our July Stated will also feature an emulation of the French Rite Fellowcraft Degree, put on for us by La France Lodge out of the District. La France Lodge has been kind enough to take time out of their busy schedule to join us for the evening, and I hope you can take time out of your schedule to see their lovely work. As always, if you plan to stay for the Festive Board following the meeting, please reserve with the Stewards no later than one week prior to the meeting.

On Thursday July 25th at 7:00 pm, we will have a Called Communication for the purposes of initiating a worthy man into the Mysteries of Freemasonry. I hope that you can join us. Remember back to when you were newly initiated, how wonderful it was to be brought to light and immediately see the room filled with Brethren. I know it certainly made an impression on me during my initiation.

Traditionally, summers bring out few Brethren as we are all wrapped up with vacation and family activities. The Officers and I have planned an exciting summer of events and we hope to see you as often as your cable tow allows.

I remain yours most sincerely and Fraternaly,

Wor. Joshua Adler

## **A MOMEMNT OF LIGHT**

Submitted by Brother Kerry Kirk, Lodge Education Officer

Let a man's religion or mode be what it may, he is not excluded from the Order, provided he believe in the glorious Architect of Heaven and Earth, and practice the sacred duties of morality."

Commentary:

"Freemasonry has not always been looked upon kindly by those who profess to be religious. In this exhortation, one can begin to see why. Here is truly progressive thought; here is true liberalism; here is a theism so inclusive as to put many practitioners of the world's great religions to shame. That any person may draw closer to God, irrespective of any other consideration save that he believe in God and live an upright life according to his custom and ability, is a radical thought indeed. It is central to our understanding of Freemasonry, and it is, perhaps, one of the greatest gifts the Craft can give the world; living proof that people of all races and creeds can join together to work for the common good."
